Technical drawing showing a cross-section of a drainage system. The system includes a grey drainage channel with a grate, installed on a yellow base. To the right, a railing system (mit Brüstung) is shown, consisting of vertical orange bars. Dimensions are indicated with green arrows:

- Vertical distance from the base to the top of the grate: < 150
- Vertical dimensions for the railing system (from bottom to top):
 - 60
 - 20
 - 80
 - 20
 - Total height: 180

Technical drawing of a playground slide structure. The drawing shows a side view of the slide with a dashed line indicating the 'Fallbereich Rutsche' (slide fall area). The structure consists of a grey rectangular slide body and a yellow-orange wooden frame at the bottom. Dimensions are provided in millimeters (mm) and meters (m). The total width of the structure is 745 mm. The slide body is 270 mm wide. The wooden frame is 125 mm wide. The total height of the structure is 450 mm. The slide body is 105 mm high. The wooden frame is 150 mm high. The total length of the structure is 200 mm. The total width of the slide fall area is 200 mm. The total height of the slide fall area is 450 mm. The label 'ebene Hügelfläche oben' points to the top of the wooden frame.

Labels and dimensions:

- Fallbereich Rutsche
- ebene Hügelfläche oben
- FB 100
- 105
- FB 200
- 270
- 125
- FB 150
- 150
- FB 150
- 745
- 450

622 Rutschenpodest extra breit Höhe ca. 1,50 m

Maßstab: 1:40 (auf DIN A3)
Druck "randlos" maßstabstreu!
Einheit: Zentimeter
Maße bauartbedingt gerundet

Fallbereich (FB):
Fläche = 27.83 m²

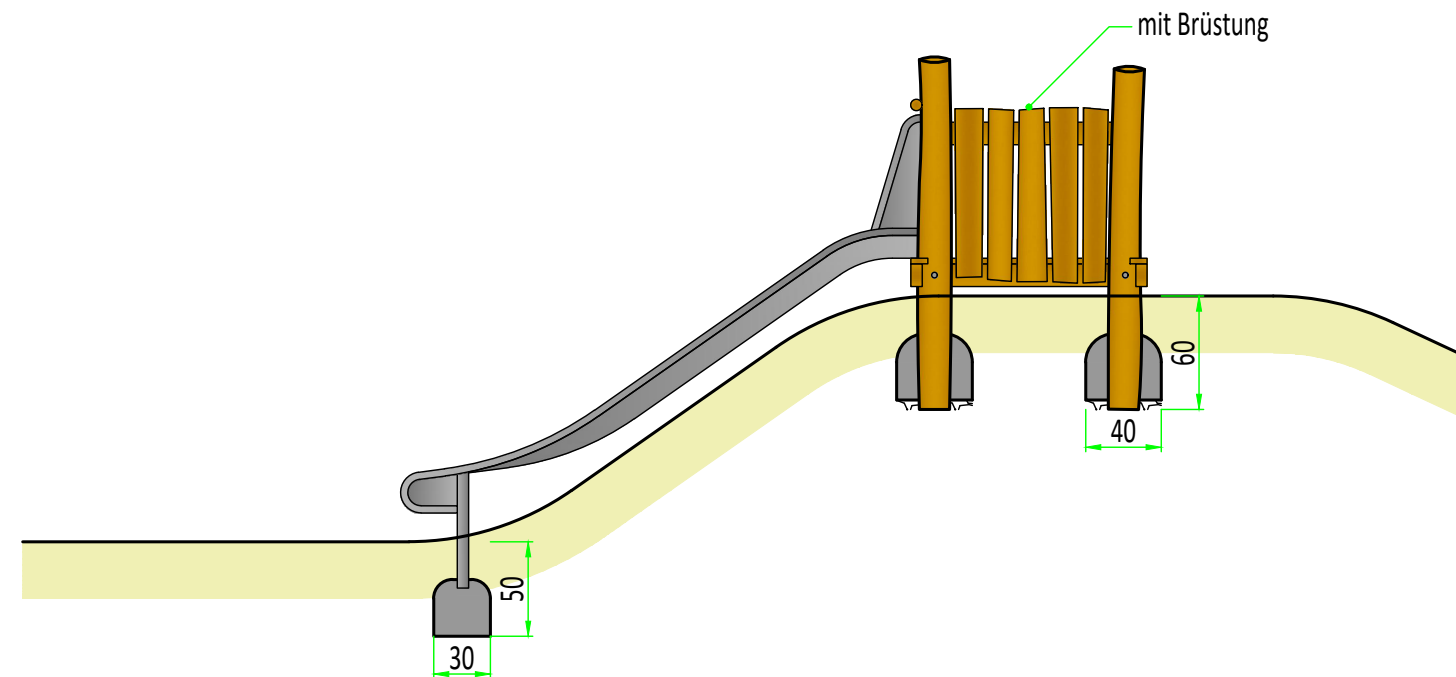

Fallschutz:
Rasen, Holzhackschnitzel,
Sand, Kies, synthetisches
Fallschutzmaterial
