

Technical drawing of a playground slide layout. The drawing shows a top-down view of the slide structure, including the slide deck, support frame, and landing area. Dimensions are provided in meters (m).

Labels and dimensions:

- Fallbereich Rutsche**: Slide fall area (indicated by a dashed line).
- ebene Hügelfläche oben**: Flat hill area above (indicated by a green line).
- FB 200**: Free area width (200 m).
- FB 100**: Free area width (100 m).
- 105**: Slide deck width (105 m).
- 220**: Slide deck length (220 m).
- 125**: Landing area width (125 m).
- 150**: Landing area width (150 m).
- FB 150**: Free area width (150 m).
- 695**: Total width (695 m).

A horizontal line representing a beam is divided into three segments by two vertical tick marks. The first segment on the left is labeled '1m', the middle segment is labeled '2m', and the third segment on the right is labeled '3m'.
